Jay Leno's Garage Gets a Makeover

Leno may be a car lover, but he doesn't treat his garage quite so tenderly. "You walk in there and it looks like a bomb went off," says Bill Goldberg (right, with Leno), whose DIY Network show, *Garage Mahal*, renovated Leno's carport for the season premiere on April 9. And according to Goldberg, the *Tonight Show* host didn't just stand on the sidelines: "Every build we do—whether you're Jay Leno or whoever—you're going to help out. Jay rolled his sleeves up and got his hands dirty."
