

3

STEP THREE

Enter your personal information. All fields with (*) are required. When finished, click **Submit**.

Note: Personal information entered must be for the Primary accountholder.

Birthday field may be entered with slashes or hyphens.
Ex: 05/24/1990, 5/24/90 or 05-24-1990, 5-24-90

4

STEP FOUR

Click  displayed on the next page.

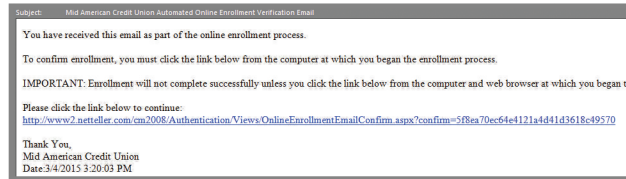

If you do not see the option for Email Verification, then your information does not match our records for the Primary accountholder or was entered incorrectly.

Note: Once the verification email has been sent, you will have one hour to complete your online enrollment. If this is not completed within one hour, you will have to start over the process.

5

STEP FIVE

Open the **Verification Email** and click on the confirmation link.

6

STEP SIX

Choose a username, click **Submit**. Username must be 6-12 characters and is case sensitive.

Use the temporary password and username you selected to log in. You will be prompted to change your password after you log in.
