I am Meagan Alena Moore, an aspiring print model, with a passion for being in front of the camera, fashion, and natural beauty. I mainly shoot themed ensembles, lingerie and flirtatious attire but I would love to branch out and do more sophisticated, high end fashion shoots, music videos, commercial ads, etc. To date I worked with John Casablancas (talent agency/school), as well as, David Avant (professional photographer and creator of Allurism.com). I have done many shoots for photographer, David Avant, to help promote his business and have some photos published on site. I am available for photo shoots in Atlanta, Georgia and I am more than willing to travel to other locations.

I am all natural, with an hour glass figure, bright blue eyes, and long brown curly hair (5'6, Bust 34 ½", Waist 27", Hips 40"). I am a motivated,

hardworking, compassionate, strong female and I am willing to do whatever it takes to make my dream come true!

- John Casablancas Acting & Modeling Center

JULY 2017 – SEPTEMBER 2017

- When I initially started with John Casablancas I was told that they wanted to “sign” me and that they would make me a star, as long as I put in the work. A month in, I started to notice that they weren’t who they originally portrayed themselves to be. I was told that they were a talent agency and once I finished my 6 months of training, they would get me jobs. That definitely was not the case. John Casablancas is an acting/modeling/entertainment “school”. After reading numerous bad reviews of the company, I decided to part ways and now I am trying to make it on my own! However, my time there was not a total waste. I learned quite a few things in those 2 months, including:

- How to dress professionally for auditions
- Memorizing & performing monologues (dramatic, comedic, inspirational) in a short amount of time in front of an audience
- Cold read monologues
- Model stance & posing for photoshoots
- Runway modeling in heels 4”-6” tall (stride, twist, pivots, posing, flare, back step)
- Hair & makeup application
- Self-promotion & networking
- Memorizing & performing commercials in front of an audience & on camera
- Mock auditions

- The Allurist / North Ga Photography

May 2016 – Present

I was asked to be a model for professional photographer, David Avant, to help build his business. Most of my photos are published on his site, Allurism.com. I receive a percentage of what individuals pay to see my photos. This is where my passion for modeling began and where I acquired the majority of my print modeling experience.

- Beauty Pageants

1994 – 2007

I was in beauty pageants from the ages of 3-16 and always received first place or second runner up. On 3 separate occasions, I was crowned the winner of the entire pageant, placing first over all of the age divisions.

- Competition Clogging

1995 – 2004

I did competition clogging for 8 years and traveled all over the United States. There was never an occasion where my dance team did not place.
